DETAILED ACTION

This Office Action is in response to the amendment filed on 5/24/05, which has been fully considered and entered into the prosecution record. Claims 1-20 have been cancelled. New claims 21-40 have been added and are pending at issue.

Allowable Subject Matter

Claims 21-40 are allowed.

Independent claims 21, 25 and 37 have been written to recite the allowable subject matter as indicated in the previous Office Action.

The following is an examiner's statement of reasons for allowance: None of the prior art of record discloses or suggests the optical switch as discussed in the previous Office Action comprising:

- 1) a first mirror, which is installed on the armature such that the first mirror reflects light within a plane that is substantially parallel to an oscillating direction of the armature.
- 2) a transparent member having a plane of light incidence and a plane of light emission which are substantially parallel to each other and which are substantially parallel to an oscillating direction of the armature.
- 3) a transparent member having a plane of light incidence and a plane of light emission which are not parallel to each other and which are substantially parallel to an oscillating direction of the armature.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
